BARBECUE Types

Chopped
Pit Cooked Pork Shoulder with our outside brown and white meat combined and chopped to achieve a Classic Lexington Style wood smoked flavor.

Sliced
This is the leanest trimmings from the Pork Shoulder. Our sliced meat has a tangy sweet taste when combined with our famous BARBECUE dip (sauce).

Coarse Chopped
For the True BARBECUE Aficionado this has it all. Not only does it have the outside brown with the salt and spice from our rub, but also the wood smoked flavor! Add the chunks of lean meat from our center cut meat and now you have tried Real BARBECUE.
